Re: St. Louis Park Study and Heilly Tar Litigation

Dear Dan:

In accordance with our phone conversation this morning, enclosed is the revised confidentiality provision for the State - USGS cooperative agreement. It will be presented tomorrow to the MPCA Board for approval.

Very truly yours,

STEPHEN SHARMAN

PROPOSED CONTRACT WITH U.S. GEOLOGICAL SURVEY:

Changes in Draft Mailed on February 13, 1981

1. On Attachment 2, lines 2-3 should be changed from "State of Minnesota Department of Health" to "State of Minnesota by its Department of Health and Pollution Control Agency";
2. On Attachment 2, the following sentence should be added at the end of paragraph 8: "Exceptions to this paragraph are listed in Exhibit A, paragraph 6, and incorporated herein."
3. On Exhibit A of Attachment 2, the following paragraph should be added at the end of paragraph 6:

Due to litigation, it is mandatory that all interpretive information be kept strictly confidential and discussed only among those directly involved in the work. In no event may the results of PAH levels be discussed with or divulged to anyone other than the cooperators and U.S.G.S. technical staff directly involved in this study. All requests for information will be referred to state and federal litigation attorneys until the case is adjudicated, at which time the information will be available to everyone. State litigation attorneys to be contacted for this purpose are Stephen Shakman at (612) 296-7342 and William G. Miller at (612) 341-7275.
